## Measurements:

- Whisper White Base – 5 ½" x 11"
- Whisper White Scrap – 1" x 3"
- Silver Fancy Foil Designer Vellum - 2" x 5 ¼"
- Silver Foil Sheets – 2 ¼" x 2 ¼", 1" x 1 ½", 1" x 1"

## Instructions:

1. Using the Big Shot, cut the Whisper White card base out with the Snowflake Card Thinlit.
2. Stamp the large snowflake from the Letterpress set on to both sides of the cut out snowflake shape with Smoky Slate ink pad.
3. Using the Big Shot, cut the Silver Foil Sheets with "Joy", the large snowflake, and the small snowflake. Add a piece of wax paper between your framelit and the card stock so that the image releases from the die.
4. Using the Big Shot, cut the Whisper White 1" x 3" piece with the banner framelit.
5. Stamp the word "Christmas" from Endless Wishes on the cut out banner with Smoky Slate ink.
6. Carefully place some SNAIL adhesive on the back of each polka dot on the Vellum piece, attach it to the card.
7. Use the 2-Way Glue Pen to attach the word "Joy" and the large and small snowflakes. The cut out snowflakes go on top of the stamped snowflake – the large on the front, the small on the back.
8. Attach the "Christmas" banner to the front of the card with a dimensional.
9. Tie a knot in a small piece of the 1/8" Silver Ribbon – attach to the banner with a glue dot.
10. Attach a large Rhinestone to the center of the silver snowflake on the front of the card, and a small Rhinestone on top of the dot on the "i" in Christmas.
11. Write your greeting on the back of the card.
