Measurements:

- Strawberry Slush 8 ½ x 5 ½ score at 4 ¼, 4 ½ x 3 ¼ and 3 ½ x 2 ¼
- Whisper White 5 ¼ x 4, 4 ¼ x 3 and 3 ¼ x 2

Instructions:

1. Layer all 3 of your whisper white pieces on top of each other using the 2 Way Glue Pen (apply a few dots of adhesive on the back of each layer and allow to dry before layering for a temporary adhesion) Stamp your words in Garden Green in the center.
2. Stamp your flowers with Stems outline and your flowers alone in Garden Green Randomly until all of your white looks pretty filled but not too filled. (don't forget your corners and outside edges and be sure to stamp off the edges as needed.
3. Next Stamp your inside images of flower and stems and flowers alone in Strawberry Slush to fill all of your green images.
4. Next peel your White layers apart one by one, I started from the top and adhere them to the coordinating Strawberry slush piece and then adhere them to the next layer of white until your card is complete.
