 Whisper White Thick Cardstock scraps for stamping  
 Basic Black scrap

## Instructions:

1. Pour about a 2 inch circle of Baby Oil onto Silicone mat
2. Drop about 8 -12 drops of Bermuda Bay ink refill into the Baby Oil
3. Using a stick break down the bubbles of ink in the baby oil.
4. Lay 4 x 5 ¼ piece of cardstock layer into the baby oil/ink mixture
5. Lift straight up.
6. If any surface doesn't have the color on it lay it back down to cover the white spots
7. Using a paper towel blot (don't rub) the baby oil
8. The ink will color the paper and the baby oil will still be a bit wet
9. After a few minutes you can run the layer thru the Boho Chic folder
10. Stamp the small butterfly using Bermuda Bay onto a scrap of Whisper White Heavy cardstock
11. Run thru the Big Shot using the Bold Butterfly framelit
12. Using the Butterflies Thinlet cut out the larger Butterfly with the Silver Glimmer Paper
13. Attach the embossed baby oil/refill layer onto your card base using Multipurpose Liquid Glue
14. Attach butterflies to card layer using Dimensionals
15. Stamp sentiment on Whisper White cardstock, trim to make a banner
16. Cut Basic Black for banner layer
17. Tie Silver ribbon around banner and attach with Dimensionals to card layer
18. Add Rhinestones to butterfly body
