---

### Instructions:

1. Fold the Crumb Cake Cardstock in half with a Bone Folder.
2. Lay the Plastic Canvas over top of the cardstock (cut down canvas to the size of the card so that you don't have too much excess).
3. Spritz the Not Quite Navy Stampin' Spritz Mixture over top of the canvas from the lower left corner to the upper right corner.
4. To make mixture- add Rubbing Alcohol filling the bottle about 85% full and add 12 drops of Not Quite Navy Classic Ink Refill. Do the same with Old Olive.

5. Once dry, stamp "Thinking of You" in Stazon Black Ink on the card.
6. Wrap the Old Olive Polka Dot Ribbon around the card and bringing the ends together to meet where the scallop circle is going to cover the seam - tack the ribbon down with a touch of adhesive just under the ends of the ribbon.
7. Punch out scallops using Baja Breeze Cardstock & Rich Razzleberry.
8. Adhere both together and place over top ribbon.
9. Punch out 3 butterflies from the Floral District DSP and adhere to the card with Stampin' Dimensionals.
10. Attach Rhinestones to the heads of the butterflies.
