### Instructions:

1. Fold the Pacific Point Cardstock in half with a Bone Folder.
2. Drop the 5 Reinker Colours on a plastic sheet.
3. Starting with Real Red and working your way through all 5 colors in order (Real Red, Pumpkin Pie, Daffodil Delight, Old Olive and Pacific Point), dip the Aquapainter in the reinker and drag it at a diagonal across the Silver Glimmer Paper. To make the colour spread better, have a squeeze a little water onto your aquapainter. Make sure you take colour off your tips in between.

(If you don't have an aquapainter, you can use a small

wet paint brush)

4. When you've done all 5 colours, repeat in order until you run out of space.

5. Cover the glimmer paper with clear embossing powder and use a Heat Tool to emboss. It will not dry by itself, be sure to do this step.
6. Adhere the rainbow glimmer paper to the card with SNAIL Adhesive.
7. Run Daffodil Delight Cardstock through the Big Shot with the Floral Framelit Die - adhere to the card with Stampin' Dimensionals.
8. Ink up the "You're Amazing" image with Real Red and Pacific Point Stampin' Write Markers, then stamp it on Whisper White Cardstock.
9. Die cut the stamped image with the Apothecary Accent Framelit.
10. Use a hole punch to punch holes on the tips of the die cut.
11. Push the Baha Breeze Seam Binding through the right hand side hole punch and fold it in half - holding the 2 end tips together, wrap the ribbon around the card and back up through the left hand side hole - tuck Stampin' Dimensionals under the die cut to hold it in place.
12. Tie a bow with the Baha Breeze Seam Binding. Then tie another bow. And then another one - 3 bows total.
